

SAMARITAN
Counseling • Guidance • Consulting

Part-Time Therapist Needed

People are hurting. People need hope and healing.

SAMARITAN Counseling • Guidance • Consulting provides a holistic approach to counseling that embraces the strengths, possibilities, and spiritual beliefs of each person we help. Our therapists are committed to competent, compassionate care. *Are you?*

If so, we have an opportunity for you to serve others at our newest location: Calvin Presbyterian Church in Zelienople, PA. Our new therapist must have a current PA license to provide mental health therapy services, and experience working with either children/adolescents or couples.

Samaritan provides a supportive and encouraging environment, opportunities for continuing education, flexible work schedules and competitive reimbursement.

Please forward your resume to: Susan Young, Clinical Director
