Hope and healing through faith resources

Educational Presentations

It's no secret that achieving a healthy, balanced life can be a challenge. Getting into shape—not only physically, but mentally and spiritually as well—is no easy task.

Samaritan's staff members speak on a wide range of topics, such as life balance, strengthening relationships, stress management and more.

If you need a presenter for your Sunday School class, adult or youth ministry or other church group, give us a call at **412-741-7430** and tell us how we can help.
